<u>Please be advised:</u>

*Failure to meet and submit all License Renewal requirements by October 15 shall result in a **Lapse** in licensure. Lapsed Status **prohibits a licensee from continuing to practice** unless working in an exempt setting. A postmark of October 15 <u>will not</u> **substitute for receipt in the Board Office**. A Lapsed license may be renewed / reinstated after October 15 upon submission of all delinquent requirements and payment of the late penalty. Late penalties increase by twenty dollars (\$20.00) each month.

After a period of two (2) years, a Lapsed license will expire and shall be ineligible for renewal / reinstatement and submission of a new Application shall be required to potentially establish licensure in Alabama once again. Please note that licensure requirements and qualifications are subject to change. Applications are reviewed according to statutes governing qualifying educational and training experience and competency requirements in place at the time the Application is submitted **even if the applicant held a license issued by the Alabama Board of Examiners in Psychology at any time in the past**.

A licensee may designate their license as **Inactive** at any time before the annual renewal date. Contact the Board Office to request the Inactive Status application form. Fees apply. Inactive Status revokes privileges associated with licensure. An individual holding an Inactive license **shall not practice psychology** or **use the title "Licensed Psychologist**" or "**Licensed Psychological Technician**". Inactive Status does not negate the Board's jurisdiction over any period of active licensure. **A crime related to driving while impaired or under the influence of any substance is not a "*minor traffic violation*".

*** "Drugs" are classified as any chemical substance *whether legal or illegal, prescribed, or un-authorized*.

Please notify the Board Office of any changes to contact information during the licensure year.
